A LITTLE BIT OF HISTORY...

The Golden Fry is a beautiful modern fish & chip shop/deli located in Wellhall Road in Hamilton and run by the Treta family. Marina Treta's father Mario Fionda first opened The Golden Fry as a fresh fish & chip shop in 1967, where Marina helped from aged 5, standing on a ginger box to put salt and vinegar on the fish and chips. Marina and her husband Joe took the business over when they married in 1980. Since then, the business has grown and diversified over the years to take into account the number of businesses and homes in the local area and the expansion in people's desire to try something a little bit different. Joe and Marina's grown up children, Manuela & Luigi are also bringing their skills into the business. Today, inside the Golden Fry you will find a bright, welcoming environment filled with delicious, mouth watering scents, the original warm Scots-Italian welcome and some of the freshest and most delicious hot & cold food in the area.

“ We appreciate the loyal custom The Golden Fry has enjoyed since 1967 from the people of Hamilton and wanted to re-invest in the business to give you even better service and a greater variety of foods. The wide choice now on offer at the new Golden Fry means that you can drop in from 7.30am for your freshly brewed Bei & Nannini coffee and a pastry or bagel; visit our Golden Deli at lunchtime for a freshly baked baguette or Panini and/or come in and see us in the evening to pick up your family's evening meal and watch us make pasta al momento, in front of you as you enjoy a coffee at our bistro bench while you wait. ”

“ If it's raining or you don't want to go out, just call us and we'll come to you. There is something to suit everyone in the family; freshly made fish and chips, mouthwatering burgers cooked on our charcoal grill, freshly made pasta, a stunning salad selection from our deli and of course our freshly made pizzas, made using our original Italian family recipe and custom-made with a wide variety of your favourite toppings. ”

We can even supply dessert from our new range of fresh cakes, pastries and delicious Soaves ice cream.

Pop in and see the improvements for yourself, we look forward to hearing your opinions and to cooking for you soon. Best wishes, **Joe & Marina Treta**
